

Notification of Office Relocation

We are pleased to announce that we will move into the new headquarter office and will be relocated on 1st December, 2014.

This move is made to accommodate rapid market growth and to achieve the aggressive plans for the next few years.

DOT has supported monitoring, data management, biostatistics, medical writing and audit services for 9 years. DOT will continue to serve you with our best in the future.

Your continued support and contribution is greatly appreciated

Best regards,
